

## R&D LABORATORY TEST/ANALYSIS PRICE LIST

Tests	Test Sample Preparation	Standards	Units	Sample Preparation Price (Injection Molding / Per Piece)	Analysis Price
Density	From injection molding	ISO 1183	gr/cm <sup>3</sup>	5 Euro / 1 piece of injection molding	40 Euro (€)
MFI	Granules	ISO 1133	gr/10min.	-	40 Euro (€)
FTIR	From injection molding	ISO 10640	-	5 Euro / 1 piece of injection molding	75 Euro (€)
Differential Scanning Calorimeter (DSC)	From injection molding	ISO 11357 - 1	-	5 Euro / 1 piece of injection molding	120 Euro (€)
Thermogravimetric Analysis (TGA)	From injection molding	ISO 11358 - 1	-	5 Euro / 1 piece of injection molding	120 Euro (€)
Universal Tensile Test	Min. 5 pieces of injection molding	ISO 527 - 2	MPa	5 Euro / 1 piece of injection molding	75 Euro (€)
Impact Strength Test	Min. 5 pieces of injection molding	ISO 180 / 1A (Izod)	kJ/m <sup>2</sup>	5 Euro / 1 piece of injection molding	75 Euro (€)
	Min. 5 pieces of injection molding	ISO 179 / 2A (Charpy)		5 Euro / 1 piece of injection molding	
Hardness Measurement Test	Min. 5 pieces of injection molding	ISO 868	Shore A	5 Euro / 1 piece of injection molding	40 Euro (€)
	Min. 5 pieces of injection molding		Shore D	5 Euro / 1 piece of injection molding	
Ash Content Determination	From granules or from a piece	ISO 3451 - 1	%	-	60 Euro (€)
Moisture Content Determination	Granules	ISO 62	%	-	40 Euro (€)
Test Sample Preparation (Injection Molding)	At least 2 kg of granules	-	1 Set	10 Euro (€)	
Analysis Report Fee (If requested)				100 Euro (€)	

- ❖ For test samples to be used for injection molding, a **minimum of 2 kg of raw material in granules form is required.**
- ❖ If the test samples conforming to standards are not provided by the customer for the analyses, the analysis fee will be charged based on the Sample Preparation Price + Analysis Price.
- ❖ Prices do not include VAT (Tax in Turkey). Test fees must be paid in advance, and payment should be made to the bank account provided below. The payment receipt should be sent to the email address [arge@poli-pro.com](mailto:arge@poli-pro.com). Analyses will commence once the payment receipt is received by us.
- ❖ The due date for the analyses is 2 business days.

### Our Bank Details

QNB Finansbank İsmetpaşa Branch

Branch Code : 416

IBAN No. (TL) : TR270011 1000 0000 0013 4112 42
